

## Class 3

### What You Can Drive with a Class 3 Licence

A Class 3 licence lets you operate certain commercial vehicles, plus any motor vehicle a Class 5 licence allows, and is required for several construction and city jobs that require loading and unloading vehicles.

### How to Get Your Class 3 Licence

#### Step 1:

##### Meet the Requirements

There are a few mandatory requirements before you take the knowledge test.

- You must be at least 18 years of age
- Medical Tests
- Hold a valid Class 5 licence, at minimum

#### Step 2:

##### Test Your Knowledge

You must pass the Class 3 knowledge test.

To prepare for your knowledge test you may need :

- **Commercial Driver's Guide: trucks, buses, emergency responders, and taxis**

Contact Us to get the documents.

#### Step 3:

##### Prepare for the Road Test

In order to attempt the road test, ensure you complete the following requirements.

- Complete a Medical Tests

- If you are required to operate air brake equipped vehicles, you must pass the **Open\_in\_newAir Brake (Q) Endorsement**.

Step 4:

#### Take the Class 3 Road Test

Now that you've completed all your classes and passed your knowledge test, you're ready to get behind the wheel. To book your Class 3 road test, you'll need:

- Valid government-issued ID, such as driver's licence or passport (please note: a driver's licence is required for online bookings)

When you check-in for your road test, be sure to bring:

- Copy of your medical tests
- Verification of completion of the Class 3 knowledge and Air Brake (Q) endorsement (if applicable) knowledge
